## Do you qualify for lead reduction work on your home?

### Question # 1

#### **Do you have a child 5 years old or younger living in your home?**

Homeowners must have a child 5 and under residing within their household. Tenants do not have to have a child residing to be eligible.

### Question #2

**Are you income eligible?** See income guidelines grid. If you are a tenant or you live in the property you are applying for, *you must be income eligible*. If you are a rental property owner not living at the property address, this does not apply to you.

### Question #3

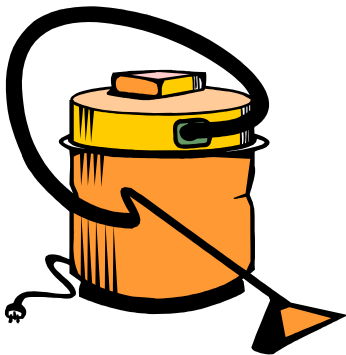

**Number of rooms per person** - How many rooms do you have in your house or apartment...not including your bathroom or basement? How many persons reside in your household? You must have **at least** one room per person to qualify.

### Question# 4

**Do you have any existing code violations (other than chipping/peeling paint) on your property?** If so, these must be addressed before your application is eligible for funding.

### Question # 5

**Is your roof actively leaking?** If so, this must be addressed before your application is eligible.
