

City of Springfield, Ohio 45503
Water Distribution, 2100 Lagonda Avenue.
PERMIT TO USE FIRE HYDRANT
(Water Distribution to notify Fire Division Immediately.)
Date: _____

pc: Fire Division
 Utility Billing
 Water Distribution
 Engineering

As authorized in Part 9, Chapter 37, Section 937.12 of the Codified Ordinances, permission is hereby given to:

Applicant _____
Company _____
Home Office _____ Telephone _____
Local Office _____ Local Telephone _____
Pager/Fax _____

The above company has requested permission to use water from the fire hydrant at: _____ for _____. Fire hydrant will be out of service between the hours of _____ to _____ for a period of _____ days.

Charges for water use will be billed to the applicants company. A charge of \$22.50 per day will be made to the applicant if the City is not informed the meter is defective. The Water Distribution and Springfield Fire Division do not loan hydrant wrenches, fire hoses or fire hose adaptors.

METER DEPOSITS: Regular Meter \$75.00, Fire Hydrant Meter \$700.00. Payable to: City of Springfield.

Meter deposits are refundable within 10 days after return of meter to the Water Distribution Division.

FIRE HYDRANT PERMIT FEE: \$35.00. Non Refundable Payable to City of Springfield.
